**CHOSEN PEOPLE**

- This year we started training pastoral leaders in Honduras!  
We have two training centers based in local churches where 25 pastoral leaders have started their 2-year theological education.  
Please help us pray for perseverance and understanding as these groups learn.
- Just had day one of training with our group from Torreón, Mexico.  
Please keep this group of pastoral leaders and our trainer Jhon in your prayers. They're having a 4-day training module.

- As of today we have counseled 400 women. We couldn't have done this without your prayers and support!
- We will have our next fundraiser April 5 with April 12 being the backup date. Please come eat with us!!

- Please be in prayer for the FCA banquet coming up.
